AutoCAD for the Professional Level 1

01/23/2012 – 02/02/2012

DDGT 202

AutoCAD 2 for the Professional Level 2

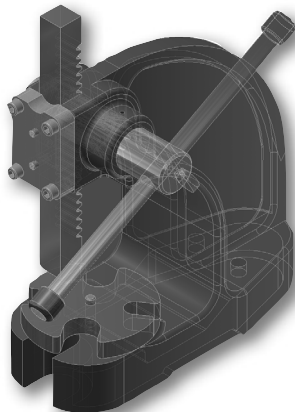

02/27/2012 – 03/08/2012

Classes meet Monday through Thursday from 6:00 – 9:50 p.m.
for two weeks for a total of 32 hours.

DDGT 230

Digital Architectural Drafting & Design

Tues. & Thurs. 1:00–5:20 p.m. ♦ 01/24/2012–05/26/2012

As an Autodesk Premiere Training Center, Autodesk certified courses are offered in CAD design software made by Autodesk. In these concentrated industry modeled classes, students receive high quality training for certificates of completion from Autodesk for the various levels of training, as well as college credits. All Autodesk courses are taught by instructors who work in industry using Autodesk software so you are assured of receiving current, real-world applicable training.
